OUR STORY

Our story began in 1942 when our great-grandfather, Papa Louie left war torn Greece in search of a better future for his family. Not long after arriving in Corpus Christi, he opened his first restaurant and started to make a name for himself for unmatched home-style cooking and true Greek hospitality. Two generations and a few restaurants later, Papa Louie's grandchildren (that's us!) continue to honor his spirit with the same passion for food and people he was known for.

Over the years, one thing that hasn't changed is the support of our loyal customers. Whether it's your first or fiftieth time dining with us, we thank you for your support!
